

"The extent and quality of pastoral support is very good."

Our ethos

High expectations - no excuses

Levenshulme High school fosters a culture of high ambition and equality of opportunity within a kind, caring, supportive environment. We understand the move from primary school to high school can be a difficult one and we start working with potential students from year five.

Our vertical tutoring system means pupils are in mixed age tutor groups with the older girls keen to give help and advice to the younger ones.

"The extent and quality of pastoral support is very good. Staff know individual pupils well and there are very good relationships between staff and students. Mixed age teams foster an ethos where older students readily support younger ones. Arrangements to help students make the transition from primary school are good and students quickly feel at home in the calm, friendly and supportive ethos of the school." - *Ofsted 2016*.

Our dedicated, hardworking teaching and support staff are committed to quality teaching and attainment for all our students. Pupils are encouraged to take part in a range of extra-curricular activities to broaden their experiences and learning opportunities.

bringing the world to your classroom 5

The Brief:

To produce a clean contemporary prospectus and marketing material to complement the modern and aspirational ethos of the school.

The Design Ideas:

Levenshulme High has been redeveloped with a brand new building but has also retained the original 1920s school. Our designs are based on the old and the new, with large images and typographical elements enhancing the design throughout.

The Outcome:

The head teacher and senior leadership team are delighted with the prospectus and the marketing materials. They feel clearly reflects the high expectations of the school.

Photography by Mark Waugh.

“Inspectors were impressed by the enthusiasm and polite nature of these young people.”

Our students

United by learning

We are a fully comprehensive school with a pioneering approach to inclusion. Every student matters, every school minute counts. Our girls come from a variety of backgrounds but they share a passion for learning. Each one is treated as an individual with the support they need to achieve.

“Students enjoy coming to school and their behaviour is good... They get on together and respect religious and cultural differences. Inspectors were impressed by the enthusiasm and polite nature of these young people. They are developing very good social skills...” - **Ofsted 2018.**

Our students get along well together, are keen to participate and work well in teams. They are happy, confident and out-going.

Our students adopt a healthy lifestyle, making good use of the Energy Box and the points reward system for choosing healthy food options.

Shooting Star PR - Logo

The Brief:

To create a fun new logo to represent the PR company.

The Design Ideas:

Shooting Star is a young, funky PR agency, which aims to add a bit of sparkle to their clients' campaigns, and the image we created reflected this vibrant, dynamic feel. We used striking choice of colours to get this across.

The Outcome:

The designs were greatly accepted by Shooting Star PR. The identity is used across the agency's website and stationery.

The logo for Shooting Star PR features the word "shootingstar" in a lowercase, pink, rounded, and slightly irregular font. A small, white, five-pointed star with a pink outline and the letters "PR" inside is positioned to the right of the word.

Shooting Star PR - Self Promotional Brochure

The Brief:

To create a stylish brochure that would be able to be downloaded and promote the PR company.

The Design Ideas:

Shooting Star is a young, funky PR agency, which aims to add a bit of sparkle to their clients' campaigns. We reflected the agency's dynamic approach while creating this brochure. As well as showing the extensive range of services offered by the agency, the brochure had to be clear, concise and is very fresh looking. BIG was definitely the word for this project, using large typography and images.

The Outcome:

The designs were greatly accepted by Shooting Star PR. The brochure is used for promotional purposes and will be used on their website for people to download.

HELLO...

We may not be the biggest kids in the PR playground but, by golly, we can pack a punch.

Shooting Star is a brilliant PR, Marketing and Events agency committed to helping companies, brands and individuals reach the dizzy heights of their full potential.

At our disposal is a full range of services which, when employed with skill, enthusiasm and experience, can work wonders! We may not be the biggest kids in the PR playground but, by golly, we can pack a punch.

You can find out more about what we offer if you carry on reading but for a more personalised response give us a call or drop us an email. We're ready for you.

PR & MARKETING

Merchandise the band - Logo

The Brief:

To create a stylish logo that could be used on all the bands marketing material.

The Design Ideas:

Merchandise's music resembles floating long summer days, and this was something Kinder Creative wanted to portray when we were rebranding the band's identity. We designed a new logo, based around a child-like sun image.

The Outcome:

The design is used on all promotional material and on the band's website.

Manchester Living - Magazine Design and Layout

The Brief:

To re-design the look and feel of a contemporary Manchester magazine.

The Design Ideas:

The design incorporates the existing brand colours to maintain consistency. Images and copy came from various contributors and the challenge was to give it an in-house style.

The Outcome:

This became the established look of the magazine.

Bonjour Bordeaux

Falling in love with a town is a beautiful thing. It's a feeling that comes from the heart, from the streets, from the people. Bordeaux is a town that has captured my heart, and I'm excited to share it with you.

Pitch for No1 Deansgate Advertising

The Brief:

To convince London based businesses of the benefits of having a Manchester apartment.

The Design Ideas:

To use the principles of Feng Shui to suggest a feeling of serenity and peace by being based in the right place. The use of simple images and fonts placed within the design was also a key element.

The Outcome:

These designs were chosen to represent the ideas in the pitching process.

The Brief:

To re-design the look and feel of the brochure and create an extensive rebranding of the company's marketing material.

The Design Ideas:

We used the many and varied colours of the products to create a branding strip to run across the top of the catalogue. We also directed the photo shoot to ensure the quality and composition of the images.

The Outcome:

The branding was adopted by the company and is still used on their marketing material and packaging.
